JUMP FOR FREE!

Just raise the minimum amount required by your chosen charity and the costs are covered!

How it works:

Step 1: Set up your online fundraising page

First, set up your online sponsorship page so that you can share it with family friends and start raising money before you book your jump

Step 2: Book your date

Once you have your fundraising page ready, choose the date of your jump and book*. Some charities host specific events or simply pick a date of your choice. (*Booking requires a £50 deposit)

Step 3: Raise the minimum amount

Share the word about your jump and raise as much as possible! Once the minimum amount (usually £395) is raised, the cost of the jump is covered. Anything raised over will also go directly to the Charity

Charity Sign-Up Information

FAQs

Is there a maximum age? No maximum age for tandem skydiving.

Is there a minimum age? Minimum age is 16, with parental consent required under 18.

Can I drink alcohol before/after the jump? Alcohol is not allowed at the drop zone.

What is your refund policy? Deposits and booking fees are non-refundable.

Is there disabled access? Disabled spectators welcome; some people with disabilities can skydive (medical approval needed).

Am I covered by insurance? All jumpers are covered by British Skydiving third-party liability insurance (£24.23).

Can I bring spectators with me? Family and friends can watch, but expect some waiting time.

How will I know if the jump is going ahead? You'll get a text by 4pm the day before if your jump is confirmed.

Can I jump in the same plane as my friends? Guarantee jumping with friends by purchasing a Group Boarding Pass (£10 per person, subject to availability).

Is there a weight limit? All jumpers are weighed on the day and there is an additional charge of £20 per stone over 15 stone
